Health and Safety Policy Statement

The objective of this Health & Safety Policy is to provide the framework around which a safe and healthy working environment can be maintained.

R.S Skips Ltd has a policy in place which emphasises the importance of the health and safety of its employees and others.

R.S Skips Ltd accepts and understands its responsibility for providing a safe and healthy working environment on premises and property under its control in accordance with the requirements of the Health and Safety at Work etc. Act 1974.

It is the policy of R.S Skips Ltd to liaise and co-operate with its employees in order to ensure a safe and healthy working environment.

R.S Skips Ltd identifies and acknowledges its duty to ensure that other parties are not negatively affected by the activities of the company.

R.S Skips Ltd will take steps, so far as is reasonably feasible, to meet all its health and safety responsibilities, in accordance with the Management of Health and Safety at Work Regulations 1999, by carrying out an assessment of all known risks and therefore providing:

- the safe provision and maintenance of all plant, equipment and systems of work
- safe arrangements for the use, handling, storage and transporting of equipment materials and waste products
- provision of suitable and sufficient information, instruction, training and supervision to enable its employees to identify hazards and avoid risks, therefore contributing to their own health and safety at work
- a safe and healthy working environment, and safe access to, and egress from it.

R.S Skips Ltd will endeavour to actively involve the people who work within its organisation by ensuring effective consultation and communication throughout all levels of management and all employees. The Company Safety Policy will be reviewed as appropriate and revisions will be brought to the attention of all employees.

R.S Skips Ltd employees have the duty to ensure that they work in accordance with the objectives of the Company Health and Safety Policy. Each employee must recognise and carry out their responsibilities to: -

- act with due care to prevent injury to themselves and others

- report accidents, damage to equipment and potential hazards, to their employer
- follow the agreed safe working procedures, including the correct use of safety and protective equipment.

All employees have the responsibility to inform their employer if they are unable to operate equipment or work to safe systems that they are unfamiliar with. Thus, it is the responsibility of R.S Skips to ensure that they provide their employees with correct and sufficient information, training and supervision.

To ensure suffering and loss are avoided, it is vital that the principles set out in this safety policy be staunchly applied.
